

End of term letter – July 2018

Dear Parent/carer

Change is never easy but thank you for welcoming me in February and your overwhelming support. It has been a great year and I look forward to September.

Year 11 exams went very well and we look forward to some great results in August. Results day is Thursday August 23rd at 10am until 11am in the LRC for Year 11 and 11am-12pm for Year 10.

The third Year 8 graduation ceremony was fantastic and ably led by Mr Wright.

We have welcomed all our new Year 7 students in the second to last week of term. They settled in well and quickly adapted to life at the 'big' school.

Year 11 GCSE Enrichment

It is an expectation that ALL year 11 students attend ENGLISH, MATHS and SCIENCE, every week. The sessions will run from 2:30 - 3:30p.m and are as follows: -

- English – Monday
- Science - Wednesday
- Maths - Thursday
- All other subjects - Friday

We will launch a new enrichment timetable in September for all other extra-curricular activities.

Summer Holiday Breakfast Club

There will be a breakfast club ran daily from 9-11am at the Charwood Centre by Kinship Carers.

Uniform ordering:

If you have not already done so, please ensure you order your uniform directly through Trutex. For your convenience, a copy of the Trutex flyer is attached to this letter.

Uniform Reminders

Please ensure that you **have read** the student planner before you buy shoes and socks for the new academic year. A reminder that all shoes must be **PLAIN, BLACK and POLISHABLE**. A number of girls shoes have been creeping in with embellishments and gold accessories – please do not wear these in September otherwise a detention may be issued and **the expectation will be to wear a pair provided by the Academy**.

Any piercings/ false nails will have to be removed for the first day we return.

Attendance

The Academy attendance is currently 90.4%. This is well below the Academy and National targets. Students should have an attendance of at least 96% and above. **It is proven to have a significantly detrimental impact upon outcomes, if a student has attendance below 95%.**

Ormesby Olympics

A massive thank you to Mr Middleton who organised the first Ormesby Olympics. Students took part in traditional sports day activities in the morning and then the whole school had a variety of activities - including an inflatable assault course and carnival games in the afternoon.

Careers

I am delighted to inform you that we have achieved the National Quality in Career Standards that recognises the high standard of our careers provision. Massive thanks to Mr Roberts who has organised a multitude of career, college and employment experiences for your children throughout the year.
