

Dear Parent/Carer

I hope this letter finds you and your family safe and well. As an Academy, we are continuing to offer support, advice and guidance to all of our students during these difficult and uncertain times. In addition to this, we have composed an additional information pack for those students that have an Education, Health and Care Plan or have a SEN Support Plan. This pack includes a comprehensive list of SEN appropriate links to activities and learning that you and your child may find useful. There is also a list of key external contacts that you can refer to. We have also included some advice and guidance for parents/carers around challenging behaviour.

If you would like any further advice and guidance around your child's specific SEND needs then please feel free to get in touch via the below email address.
